The space at the Camden Comedy Club (the upstairs room at the Camden Head) is an adaptable function room that is regularly used for stand-up nights. There is a small stage, lighting rig and PA system installed. It can seat a maximum of 50 people. Seating is flexible but most adjustments will result in fewer seats. The compact stage and lack of off stage space means the venue is most suited to stand-up, improv and cabaret and simple sketch shows. The venue has air conditioning.

All show times available from 31st July - 27th August:

<b>Afternoon</b>	<b>Evening</b>
2pm - 3pm	5pm - 6pm
3.30 - 4.30pm	6.30pm - 7.30pm
	8pm - 9pm
	9.30pm - 10.30pm

Please mention in your application if your show involves any live and/or amplified music, or if you intend to perform *without* amplification as this may affect the time slots we can give you.

In addition to the brochure fee for Camden Fringe, performers will be asked to pay a hire fee for the venue. This is £55 per performance for an evening slot (shows starting from 5pm onwards) or £35 per performance for an afternoon slot. The hire fee must be paid at the same time you return your signed contract and is non-refundable if you cancel your run. 100% of the box office takings will be yours (minus the Camden Fringe's 5% cut of any online sales.)

Box Office and Front of House staff will be provided. You will need to hire your own technician if you need one to operate any sound and lighting cues in your show.

Please email us at the email address given above if you wish to discuss anything before applying to the Camden Comedy Club.
