Venue Hire details for Camden Fringe 2019

We are a 50-seat theatre venue with raised stage, stage lighting and cabaret style seating. There is a private bar and food served.

As the name suggests we specialize in Improv but regularly host many other types of show: Music, Theatre, Magic, Stand Up, Sketch, Jazz, Drama along with a selection of classes and courses.

We are located just 2 mins walk from Zone 2 tube lines, Metropolitan and Jubilee. (Finchley Road Tube Station) Being above one of London's oldest pubs, The North Star, we regret there is no disabled access with a staircase leading to the self-contained venue.

There is a raised stage, 3 point stage lighting with fade and a full black out facility. There is a 4 channel mixer through a PA along with house mics/stands and keyboard. A small off-stage area allows for entrances and dressing. There is limited storage for sets/costume.

For the Camden Fringe the space will be set up for the main show and cannot be altered.

If you require lighting changes and sound cues you will need to supply your own tech person to operate our extremely easy to operate equipment.

There are full details on the website: www.londonimprovtheatre.com
